Antigone: One word frees us of all the weight and pain in life. That word is love

Species of fish. The book chronicles her travels into Luristan, the mountainous terrain between Iraq and present-day Iran, often with only a single guide and on a shoestring budget.

Mosaic Artisans

He's a prince, the son of a king. His position is one of compromise: according to him, we all have an innate predisposition for telling and understanding stories, but this must be developed through cultural models and social interaction into an active competence.
