Help me escape this feelin' of insecurity I need you so much
but I don't think you really need me But if we all stand up in
the name of love And state the case of what we're dreamin' of
I've got to say I only dream of you But like a thief in the
night you took away the love that I knew Relight my fire, your
love is my only desire Relight my fire 'cause I need your love
Turn back the times 'til the days when Our love was new, do
you remember No matter what was happenin', I was there with
you But if we all stand up for what we believe And maybe live
within our possibilities The world would be wild for the dream
So baby don't turn away, listen to what I gotta say. A closer
look at the third person of the Trinity.
