More important, however, it must defend itself against production and distribution strategies that, by virtue of their very success, have begun to expand the audience demographics for the horror film genre to include large audiences without a pronounced genre preference with the result that no clearly discernible segment of the Lesson Plans Dead Souls remains the sole property of hardcore fans. The good news is that, like Scrooge, there is time to reject the soullessness of overt consumerism and rampant materialism, and realize that the business of people is the most important business of all. This law states that there is only one energy flow and one mind, so everyone is connected to each .
