Realize that anything worth doing is worth doing badly. This synthesis of texts devoted to Persia, whose inhabitants are said to be "the French of Asia" has the ambition, announced in the preface, to compose "a portrait of current knowledge" of this famous empire: history, geography, sciences, population, culture, religion, architecture, customs Edouard Gauttier d'Arc Saint-Malo, Barcelona, is the author of the geographical part and the essay on Persian literature. Thank You Elizabeth, all that hard work paid off for me and reduced significant pain. You can also mail a letter to a U.
