Nothing Lasts Forever

One could argue that the Internet provides a voice for shy people too who would not normally feel brave enough to say something in a social situation.

Pioneers of American Folk Guitar

Once artistic-intellectual works are separated from current events and from a comprehensive critique of society, they are sterilized and can be safely integrated into the official culture and the public discourse, where they can add new flavours to old dominant ideas and play the role of a gear wheel in the mechanism of the society of the spectacle. Among the latter would be: having to fight, having to pay the costs of war from their own resources, having painfully to repair the devastation war leaves behind, and, to fill up the measure of evils, load themselves with a heavy national debt that would embitter peace itself and that can never be liquidated on account of constant wars in the future.
