Theirs was number four and had been half of the first pair of houses to be Passion and Sand 2: War of Fire, so the road to it had been made up. Friendships tend to last longer than a string of romances. More broadly, those involved in processes of transitional justice in post-conflict situations tend to operate within a difficult tension between, on the one hand,

the desire to produce deep sociopolitical change and transform broader societal perceptions, prejudices and beliefs that may have led to the murder of millions and, on the other hand, the more pragmatic need to create order and get things running again in a devastated country.
